

Day 4 MOTIVATION

Leadership and Communication Work

Another day action packed with more depth learning on leadership and teamwork. 9.30 is the time we start, not 10.00. Leadership and Communication/ Motivation was the topic today and this was clearly shown yesterday well done to everyone and keep up the good work. Also working outside was so much better and everyone enjoyed the beautiful weather while training. Now you have prepare for European day try to make it creative and fun as possible. Also after all the hard work we all celebrated clubbing a demon. Everyone had such a good time and all are asking can we go again. Back n the main subject the leadership training. Everyone are growing and developing into great leaders. Some of you had trouble speaking English and now you are speaking
